ST. DENIS CHAPTER 11260

September 2006

## **GRAND KNIGHT'S MESSAGE**

Brothers, on August 26<sup>th</sup>, we had our annual Installation ceremony at Centro Basco restaurant in Chino. The food was abundant and tasty! District Deputy Manuel Hinojosa and District Warden Juan Perea were the installing officers. Our Chaplin, Monsignor Loughnane, joined us in this wonderful event. Every one in attendance enjoyed themselves.

Our next endeavor is to take part in the International Festival on Sunday, October 8<sup>th</sup>. We will join all the other Ministries and organizations at St. Denis. There will be booths in the courtyard displaying food and wares from the various cultures within the St. Denis community. Our Council will be responsible for providing sodas, beer and water. We are looking for donations to help offset the cost of the drinks. We are also looking for volunteers to man our booth/bar. If you can help, please let me know. We will create a schedule soon.

At our last business meeting, we decided to bring back the "Keep Christ in Christmas" card campaign. These are religious cards depicting Jesus Christ and/or the Holy Family. If you haven't purchased your Christmas cards, our Council will begin selling these cards around the first of October. As we all know, there has been a great deal of debate concerning removing any reference to God and Jesus Christ, from our schools, public buildings and the Pledge of Allegiance. By sending religious cards, we Catholic gentlemen Knights will be reinforcing the importance of God in our lives.

The 4th Degree ceremony will be held at the Irvine Marriott on October 8<sup>th</sup>. This is the Patriotic Degree

### The Shed

Brother Bill Wiggins visited the city to look into permits. The city did not approve of our plan and it will require a lot more cash to do it the way the city wants. We discussed the possibility of giving the money to the Monsignor and using the garage and putting up canopies for the priest's cars. An idea of forming a committee to deal with this was discussed.

### Web Site

Brother Martin Cardenas is working on it. He set up a laptop and showed it to the membership. Check it out at [www.stdenis.org](http://www.stdenis.org)
